

April 27, 2016

To Our Valued Producers:

Old Republic Aerospace (ORAE) is delighted to announce recent advancements to four product offerings. These improvements are highlighted in the product sheet below.

Notably:

- Increased liability limit capacity, up to \$100M, for manufactured products
- New AG500 policy form for our agricultural customers
- New PB500 policy form for our piston aircraft owners and operators
- Full engagement in the major airline market

We believe that these improvements demonstrate our commitment to better meet our business partners' needs and expectations.

If you click on the image below, you will be directed to the links for the specific product pages for additional information.

If you would like to know more, please click on the ORAE website: www.OldRepublicAerospace.com.
